

Dear Supporters,

The Virginia Summer Institute for Addiction Studies (VSIAS) is pleased to invite you to participate as an exhibitor at our **26th Annual Conference**, taking place in historic Williamsburg, Virginia, **July 19–22, 2026**.

This milestone event offers an excellent opportunity to connect with professionals from across the Commonwealth who are dedicated to advancing the treatment of substance use disorders and mental health care.

The Institute will be held at **Williamsburg Lodge**, located at **310 S. England Street, Williamsburg, VA 23185**, one of Colonial Williamsburg's premier properties. The Lodge provides convenient exhibit space, comfortable accommodation, complimentary parking, accessible internet, and nearby dining and attractions.

VSIAS is designed for clinicians, counselors, and behavioral health professionals seeking the latest evidence-based practices, tools, and resources. This year's theme is:

**“A Clinical Vision: Innovation, Access, and Hope.”**

We greatly value the support of our exhibitors. All breaks will be scheduled near the exhibit area to encourage engagement, and time will be set aside during the conference to recognize supporters and allow for door prizes.
